

Apogee South Beach is more than just your home. It is your masterpiece. A place created by you and for you, Apogee was designed not only to impress but to inspire, just as art inspires the heart to soar and the mind to awaken to new and glorious possibilities. Beckoning you to live life on a higher level and ready to fulfill even those needs you have yet to discover, Apogee is the very pinnacle of modern luxury living. Only a select few are being invited to live this life, and fewer still will ever have the privilege of calling Apogee home.

Apogee South Beach is the pinnacle of lifestyle with the best of Luxury, Technology, Privacy & Service...

#### APOGEE SOUTH BEACH OVERVIEW

- Exclusive 67 residences in a 22 story building
- Lobbies and common areas designed by world famous interior designers Yabu Pushelberg
- Architecture by award-winning architectural firm Sieger Suarez
- Four residences per floor, each with flow-through design to give each unit both a water view and a city view
- Building features premium "optically clear" glass on units and balconies for ultimate stylishness
- Very sophisticated, premium building finishes such as granite and French limestone. Lots of interesting detailing with stainless banding and back-lit Lucite
- Private elevator access to every unit
- Only two floor plans available: 3149 s.f. and 4227 s.f.
- 2.88 Acre Site
- State of the Art Spa & Fitness Center
- Infinity edge lap pool in garden setting
- Open air party pavilion
- Each unit has a private, enclosed, air conditioned & oversized two car garage
- Artwork by Cuban-born Miami-based artist Jose Bedia
- State-of-the-art spa and fitness room
- Building sits on a lit reflecting pool, and gives the appearance of floating on 40-foot columns
- Within walking distance of Miami Beach Marina to accommodate your Yacht up to 250 ft.
